

Vantage™ Universal Camera Bracket

The Universal Camera Bracket is designed to accommodate both horizontal and vertical structure mounting. The mounting bracket mates perfectly with Iteris's wired and wireless cameras and is constructed using high strength 6061 aluminum. For added protection, the assembly is white powder coated.

FEATURES & BENEFITS

- ▲ Universal Camera Mounting
 - △ Horizontal for luminaire arm mounting
 - △ Vertical for standard pole mounting
- ▲ High strength, light weight aluminum construction
- ▲ Painted white
- ▲ Easy pan/tilt angle adjustment
- ▲ Three banding slots for stainless steel banding of up to 3/4 inch
