

Streetscape Overview

TAPCO's full line Streetscape Division has provided all markets a full line product offering to dress up, visually improve and make the location safe for pedestrians and vehicles.

Ranging from Luminaires to decorative Pole Kits to custom signage TAPCO can be a one stop shop in redeveloping, revitalizing or redesigning your area. Contact TAPCO for full consultations, more details and pricing.

*Other options such as LED bollards, Retrofit lights also available

Lighting Options

For Municipal, Commercial and Residential applications TAPCO offers decorative luminaires to cosmetically and visually improve the area. Ranging from LED with our economically effective Ring of Fire Luminaire to the HPS look of our traditional, historic Harp Light TAPCO can fit almost any need with our various size, light and color options. Sold individually or complete with turn key pole kit.

- Milwaukee Harp Light
- Ring of Fire LED Luminaire

Pole & Sign Top Decorative Finials

Add a distinctive accent to the posts in your neighborhood, downtown or development. Produced from sand-cast aluminum, TAPCO decorative finials are powder-coated gloss black for durability. Finials are sized for 2 3/8", 3" and 4" poles

- Variety of style options (Acorn, Ball, Point, Pineapple, Fleur-de-lis)
- Custom colors are available

Elegant Series Mounting L-Brackets

Elegant series sign mounting brackets feature a high-strength Tensalloy aluminum, the strongest aluminum brackets in the industry! Designed to be banded to a post or pole. May also be drilled and bolted. Powder coated in 60% gloss black, call for custom colors.

- Variety of styles available

SignBackers™ Panels & SignSurround™ Sign Frames

TAPCO SignBackers add distinctive style along with rigidity and strength to your streetscape project. Accent your signs with TAPCO's decorative SignSurround Sign Frames

- Offered in various sign shapes

Decorative Signage

Visibility is crucial to safety. TAPCO uses 3M™ reflective sheeting on our signage to provide excellent visibility day and night and follow MUTCD guidelines. TAPCO can provide Street name, wayfinding, standard traffic signage or can customize your signs to fit your needs.

- Custom shape and artwork available
- Add neighborhood or organization logos to signs

Pole & Post Top Sign Brackets

Sign brackets are available in models to accommodate flat and extruded sign blades. Made from high-strength aluminum. Each bracket includes set of stainless steel allen set screws.

- Offered for both square and round poles

Smooth & Fluted Aluminum Poles

Our standard round poles have a gloss black powder-coat finish. Custom lengths and colors are available. For direct burial mounts be sure to add 3 feet or more to desired height, or use a V-Loc™ breakaway anchor. Heavier fixtures and softer soils require deeper pole burial depths.

- Offered in a smooth or fluted aluminum option
- Pole diameters to match with our luminaires, bases, brackets, and finials

Aluminum Pole Bases

High grade cast aluminum bases complement poles, sleeves, luminaires and other components of your decorative streetscape projects.

- Painted gloss black, optional colors available
- Choose base that matches diameter of the fluted pole being used

V-Loc® Breakaway Anchor

The key to V-Loc is the patented locking wedge. When installed, the wedge keeps a pole securely in place. When a vehicle strikes the post, the locking wedge collapses and the post is released. Simple and secure with an easy installation.

- NCHRP 350 approved breakaway anchor system
- Variety of application options
- Guaranteed reusable
